## Why use Dana Build and Design?

For Dana, staying on budget is extremely important. She accomplishes this by being crystal clear with real-time numbers so you can make educated decisions. She is constantly on-site answering questions. This ensures we stay on time and in budget. Dana works for you not her subs, this ensures the quality and price are never compromised.

# DANA DAY

Dana Day has been exceeding Homeowners' expectations for over 20 years as a builder / remodeler/ designer in the Tulsa area. Her commitment to excellence becomes obvious when you step into one of Dana's homes and see her attention to detail, "wow" factors, and quality. Dana exemplifies luxurious design with practical consideration. She elevates your home with personalized features you never knew you wanted. Her homes deliver a livable luxury that you do not want to live without.

Dana understands building or remodeling a home can be overwhelming. With her design expertise, she assists with every design decision from concept to creation, which contributes to staying on budget and on time. Dana's commitment to quality craftsmanship, flow of the home, and unique designs surpasses her clients expectations.

"A design-build firm based in Tulsa, Dana Build and Design provides luxury custom building and renovation. The firm is especially popular among homeowners because of its attention to detail and use of practical techniques to create luxurious designs.

The firm's founder, Dana Day, has over 20 years of experience as a builder, designer, and remodeler. She personally oversees every step in the building process, from planning budgets and developing designs to conducting builds and producing final finishes. She was recently appointed as a member of the Board of Directors of the Tulsa Home Builders Association (HBA)."
